The proposal from the Department of Biotechnology for creation of 4 posts as per details on prepage for the National Brain Research Centre has been examined. Since the Centre has been setup only recently and it is a small centre, it is felt that the post of Administrative Officer and Finance & Accounts Officer in the scale of Rs.8000-13,500 should be sufficient. We, therefore, agree to the creation of one post each of AO and FA&AO in the scale of Rs.8000-13,500 and one post each of PS and Stor & Purchase Officer in the scale of Rs.6500-10,000.
