NBRC/DIR/2020-21/

Dated:- 17.02.2021

CERTIFICATE

This is to certify that National Brain Research Centre has been following the practice of supporting each faculty with initial seed money of Rs 10.00 Lakhs equivalent or more for the purpose of research. These include money to purchase chemical/laboratory supplies/ research personnel (like project assistants or research associate etc.).

The seed money amount is given to each faculty per year in the form of Purchase of Consumables/equipment/ any other allowances which are used purely for research purpose.

This practice has been followed since inception of NBRC as brain research is the core area of focus for fulfilling NBRC vision and mission.

As there is no formal office order given to any faculty for this purpose, this certificate is issued as a special order for seed money for official record.
