Science and Engineering Research Board

Established through an Act of Parliament: SERB Act 2008
Department of Science & Technology, Government of India

National Post Doctoral Fellowship

Objective:

The SERB-National Post Doctoral Fellowship (N-PDF) is aimed to identify motivated young researchers and provide them support for doing research in frontier areas of science and engineering. The fellows will work under a mentor, and it is hoped that this training will provide them a platform to develop as an independent researcher.

Eligibility:

The applicant should be an Indian citizen.

The applicant must have obtained Ph.D/M.D/M.S degree from a recognized University. Those who have submitted their Ph.D/M.D/M.S thesis and are awaiting award of the degree are also eligible to apply. However, such candidates, if selected, will be offered lower fellowship amount till they qualify the eligible degree.

The upper age limit for the fellowship is 35 years at the time of the submission of application. Age relaxation of 5 (five) years will be given to candidates belonging to SC/ST/OBC/Physically Challenged & Women candidates.

Nature & Duration of Support:

The fellowship is tenable only in India and can be implemented in any of the recognized academic institutions, national laboratories and other recognized R & D Institutions. The host institution should provide necessary administrative and infrastructural support.

The fellows will not be allowed to work with the Ph.D. guide/co-guide. It is also normally not availed at the same Department / institution where the candidates have earned their Ph.D/M.S/M.D degree.

The fellowship is purely a temporary assignment, and is tenable initially for a period of 2 years. In exceptional cases, depending on the progress of research, the fellowship can be extended for one more year. There is no provision to extend the tenure beyond three years.

The fellows will be entitled to receive the grants as given below:

Sl. No.	Budget Head	Amount
1.	Fellowship	Rs. 55,000/- per month (consolidated) Rs. 35,000/ p.m for candidates who have submitted the thesis but degree not yet awarded
2.	Research Grant	Rs. 2,00,000/- per annum
3.	Overheads	Rs. 1,00,000/- per annum

- Research grant can be used for minor equipment, consumables, contingencies and domestic travel. There is no provision for providing manpower support under this scheme. The Fellow is expected to undertake the research objectives by himself/herself during the entire duration of the fellowship.
- The fellows are not eligible to receive any other fellowship from any Government or Non-Governmental source during the tenure of the fellowship.
- The fellows must seek the consent of SERB if he/she intends to be away from the implementing institute (except for field work related to the project) continuously for a period more than eight weeks.

Selection & Mode of Application:

The call for applications for SERB-N PDF will be notified twice a year through the websites www.serbonline.in and www.serb.gov.in

The application form along with a research proposal highlighting the objectives of the research work to be undertaken should be submitted online through the website www.serbonline.in

The applicant must identify a suitable Mentor under whom the proposed research would be carried out.

The selection will be based on the recommendations of an Expert Committee that will be constituted by the SERB. If required, the applicants may be called for personal interview.

How to Apply Online:

For successful online submission of the application the following points may be noted:

Applicants should first register into the online website www.serbonline.in [click here to register](#)

After log-in, applicants are required to fill all the mandatory fields in Profile Detail section under User Profile, which includes Bio data, photo, Institute Address, etc.

Details including Project Title (max 500 characters), Project summary (max 3000 characters), Keywords (max 6), Objectives of the proposal (max 1500 characters), Expected output and outcome of the proposal (max 1500 characters) should be provided online at the time of submission of the application.

Work Methodology and Research plan has to be uploaded in single PDF file not more than 3 pages (max 10 MB).

Dear Dr. Rituparna Chaudhuri,

I am delighted to inform you that you have been selected for the Post of **Research Associate** funded by the Department of Biotechnology, GOI, New Delhi, to work with **Dr. Pankaj Seth, National Brain Research Centre (N.B.R.C.), Gurgaon 122052, Haryana.**

You are advised to indicate your acceptance, or otherwise, of this offer by December 31, 2018, using an email message with a copy to your proposed mentor.

The terms and conditions of the fellowship are as follows. For additional terms and conditions, see Annexure I.

1. The DBT -RA fellowship starts from **January 01, 2019**. To avail the Research Associateship, you must report for duty latest by **January 15, 2019**. Please note that the request for extension of date of joining will not be considered. If you do not report by this date to your mentor's lab, you will forfeit the Research Associateship.

2. You will be designated as **DBT - Research Associate-I** with a stipend of **Rs. 36,000/- p.m** and a contingency grant of **Rs. 50,000/- per year**. The contingency grant must be utilized with approval of your mentor. If accommodation is not provided, you will be entitled to HRA and other benefits as per the DBT guidelines applicable to research fellowships / associateships.

3. Your stipend and contingency grant will be released to the host institute/university after you report for duty and on the receipt of joining documents at the DBT-RA Program Office at IISc, Bangalore. You must send your joining report with documents as listed below:

- A formal letter mentioning your date of joining and an undertaking that you will not relinquish the assignment before completing the tenure of the associateship for a minimum period of 2 years, except for accepting a job in India. This letter should be signed by your mentor.
- Filled Data Sheet
- Certificate of undertaking (should be on the letter head of host institute)
- API Details (Fill in as much as information possible)

All the above documents should be speed-posted to me, so as to reach before **January 31, 2019**.

Subject: INSPIRE Faculty Fellowship - Offer letter[DST/INSPIRE/04/2018/003242]

Dear Dr. Swagata Dey

1. Government of India has launched a unique scheme "Innovation in Science Pursuit for Inspired Research(INSPIRE)" with several components. INSPIRE Faculty Fellowship Scheme is one such component of INSPIRE Programme which offers a contractual research award for carrying out independent research to young achievers. Based on your application followed by the due selection process, I am pleased to inform you that you have been selected for INSPIRE Faculty Fellowship.
2. A consolidated Faculty fellowship amount of Rs. 1,25,000/- per month with annual increment of Rs.2000/- along with Rs.35,00,000/- of research grant (@ Rs.7 Lakhs/year)for five years shall be offered to each Awardee. The offer is tenable for a period of five years only from the date of joining the Faculty position. There will be no further extension of this offer beyond 5 years and this offer does not provide any assurance or guarantee to provide regular job to any candidate. Moreover, each candidate as well as the Host Institute will be required to sign an 'UNDERTAKING' for implementation of this Faculty offer. Current Guidelines and all formats for joining under the INSPIRE Faculty scheme is available at the webportal <http://www.online-inspire.gov.in>
3. Each candidate will be required to inform DST on acceptance of the offer within 3 months from the date of this offer. This includes finalization of the Host Institute for implementation of this offer and joining at the selected Host Institute. In case candidate does not inform DST within 3 months, the offer shall automatically be forfeited.
4. The selected INSPIRE Faculty candidates, in case of their joining in private academic/research institutes will receive only Research Grant and their respective host institute/University has to pay the fellowship amount equal to the scheme norms.
5. Please note that the Host Institution shall be other than the Institute/ University/ Laboratory where you have completed your PhD work/degree. No requests on this matter will be entertained by DST.
6. Candidates who are presently living abroad may invariably try to join Indian host institution within the stipulated time. No undue request for extension of joining time will be entertained by DST.
7. You are requested to take necessary action towards implementing this offer. Towards this the following documents are required to upload at portal (www.online-inspire.gov.in), so that necessary funds can be released to Host Institute from our end:
 - i) Details of Bank Account of the Host Institute (not of the individual candidate). (Candidates are advised to select the respective host institute bank details from the drop down menu of the portal data base and not to add multiple entries in the portal)
 - ii) Duly signed 'UNDERTAKING'
 - iii) Year-Wise Budget Estimate for Research Grant of Rs.7,00,000/- each year (year-wise without clubbing)-For information only.
 - iv) Joining Report (Duly authenticated)
8. Login-ID and Password used at the time of submission of application shall be used now as well for upload. Without submission of these documents through online, no action would be possible to take at our end.
9. This issue's with the approval of Secretary DST vide Dy No 22852 dated 01/30/2019. We shall be looking for your responses in this respect.
10. Please quote the **Faculty Registration number** for future correspondence and hereinafter all communications by the awardees should be addressed to DST only and **not INSA**. Any communications to INSA will go unattended and will be ignored.
11. Those who are not working, in any regular position in the chosen host institution-for implementation of INSPIRE Faculty fellowship are requested **not to fill** the "Placement Details" in the online portal.
12. All documents including the joining documents need to uploaded **only in the online portal**. No hard copy of any document is required to be sent to the program division.

DBT-TWAS POSTDOCTORAL FELLOWSHIP AWARD

TO:

Dr. Md. Ashraful Hasan

House No: 88, Tinshed Colony, inshed Colony
Dhaka, Bangladesh

1 March 2019

Subject: AWARD OF 2018 DBT-TWAS POSTDOCTORAL FELLOWSHIP
FR number: 3240306332

Dear Dr. Hasan

The Department of Biotechnology, Government of India (DBT) and TWAS, the academy of sciences for the developing world, are pleased to inform you that you have been awarded a DBT-TWAS Postdoctoral Fellowship to pursue a postdoctoral research programme in India.

The terms and conditions of the Fellowship are contained in this award letter.

It is recommended that you carefully read the award letter as it contains KEY INFORMATION on every aspect of your Fellowship, including visa, medical, stipend and travel arrangements.

PURPOSE & DURATION

- The Fellowship is intended for a scientific research programme to pursue postdoctoral research in India.
- The Fellowship is tenable at the **National Brain Research Centre (NBRC), Haryana, India** under the supervision of **Prof. Ellora Sen**.
- The effective commencement date of this Postdoctoral Fellowship must be decided and confirmed with the host institution and TWAS must be informed of the effective date of commencement.
- This Fellowship must be taken up within one year of the date of this award letter or the Fellowship will become null and void.
- From the effective date of commencement you will have a minimum of twelve (12) months to a maximum of eighteen (18) months to complete your Fellowship. You are expected to complete your research visit within this timeframe and after these 18 months, DBT and TWAS will bear no further responsibility.
- You must return to your home country on completion of the fellowship and must sign the attached Acceptance Form (see Annex 1) to this effect.

Any change to the above must be communicated to and approved by the Executive Director of TWAS and the Head of DBT.

FINANCIAL ARRANGEMENTS COVERED BY TWAS

- TWAS will provide a lump sum of USD 600. The lump sum is meant to cover the visa fee(s) at the start of the fellowship, as well as a partial travel contribution towards the purchase of a return ticket.
- The payment is subject to submission of scanned copies of the visa and the ticket to TWAS prior to departure. However, the lump sum will be paid only after you have arrived in the host country and you have submitted your bank account details to TWAS.

FINANCIAL ARRANGEMENTS COVERED BY DBT:

- DBT will provide a standard monthly allowance of INR 38,000 (Indian Rupees) for such Fellowships for the period of study at the host institution. You will also receive a house rent allowance plus medical assistance applicable as per host institute norms. The monthly stipend will not be convertible into foreign currency.
- A contingency grant of INR 50,000 per annum will be provided to the host institution/laboratory in India for study tours undertaken within India in the interest of your research work and/or for the purchase of study material. For periods of less than one year, the grant is provided on a pro rata basis.
- You should use your Fellowship for living costs, such as accommodation, food, health insurance and other living expenses related to your research stay in India.
- You are encouraged to make appropriate accommodation arrangements well in advance directly with the host institution, which may provide you with a list of possible properties for rent within or outside the campus.
- Please note that the stipend is processed directly via DBT headquarters, released to its management agency in India and will normally be received by you between two and three months after arrival at the host institution. It is therefore highly recommended that you take some funds to cover basic living costs during the first period of your stay in India.
- In order to allow DBT to release your stipend, you are required to do the following immediately after your arrival in India:
 - a) Submit to DBT the Joining Report by the Head of the host institute;
 - b) Register in the Foreigner Regional Registration Office (FRRO) as detailed on the visa page.

TWAS AND DBT WILL NOT ASSUME RESPONSIBILITY FOR:

- Renewal of passport;
- Visa renewal costs;
- Any costs related to obtaining the visa;
- Any excess luggage costs;
- Travel and any other costs incurred by dependants who might accompany you;
- Support for family members and other expenses related to this Fellowship;
- Salary and related social benefits (from employment) for you during the period of the programme;
- Costs incurred by you with respect to any insurance, medical bills and hospitalization fees other than those specifically mentioned in this letter;
- Compensation in the event of death, disability or illness;
- Loss or damage to personal property;
- Financial support to attend any kind of national or international event unless otherwise specified in this letter;
- Excess luggage costs.

TRAVEL ARRANGEMENTS: *Please see attached Visa and Health information sheet (Annex 2) for useful guidelines.*

- Only after you have secured a visa, TWAS will start dealing with your travel arrangement to the host country.
- Once you have obtained the visa, please send TWAS a scan copy of it by email, together with a proforma airfare quotation from a local travel agency for a return trip with the most direct and economic route. The airfare quotation should indicate the itinerary, the intended date of departure (that has been approved by your supervisor) and the full cost of the ticket (including taxes) in USD or Euros. The quotation will be reviewed by the TWAS finance office that will get in touch with you to inform you how to proceed with travel arrangements.
- Should you need a ticket as part of your visa application, please inform TWAS so that travel arrangements can be made in advance accordingly.
- Please note that travel expenses that have not been pre-approved by TWAS will not be reimbursed.

VISA ARRANGEMENTS

- Please note that before obtaining the necessary visa, you will have to be granted Ministerial Clearance from the Government of India and this can be a lengthy procedure. Therefore you are required to provide complete details of your passport and date of intended travel as requested in the Acceptance Form (Annex 1) to TWAS.
- You should also complete the clearance form which will only be sent once you have accepted the Fellowship. *This must be returned exclusively to DBT.*
- The process of obtaining clearance is purely governmental and therefore neither DBT nor TWAS can do anything to assist or hasten the process. Once this is obtained, you will be duly informed by DBT and TWAS and can then proceed to obtain the research visa at your nearest Indian consulate or embassy.
- Before leaving the home country, you should complete all formalities regarding entry and transit visas that may be required for the journey. A copy of all entry and transit visas must be supplied to TWAS before the travel arrangements can be finalized.
- Should you require assistance to obtain a visa, kindly contact TWAS.

MEDICAL ARRANGEMENTS

- You should complete all mandatory vaccination requirements and all vaccination certificates must be carried during international travel from the home to the host country.
- DBT also requires that, prior to travelling, you undergo a medical examination and requests your doctor to complete the attached 'Certificate of Physical Fitness' form (Annex 3). *This should be sent directly to DBT before leaving for India.*
- DBT recommends that you arrange comprehensive medical coverage or health insurance for the period of your stay in India, possibly with the help of your host institution, as DBT only provides medical coverage for minor ailments.

ACKNOWLEDGEMENT OF DBT AND TWAS SUPPORT

- The Fellowship requires you to acknowledge the intellectual and material contributions of DBT and TWAS in your research work, and in all publications and patents emanating from the research.
- In any publications arising from the work carried out during this fellowship, proper authorship needs to be given to the host supervisor and any relevant collaborators.
- Any patents resulting from the research carried out during this fellowship should be filed with full and proper acknowledgment of the host supervisor and any relevant collaborators.

ADDITIONAL/SUPPLEMENTARY GRANTS & BURSARIES

- The Fellowship requires you to inform DBT and TWAS of other grants, funds, bursaries etc. that you have been awarded in connection with the research supported by the Fellowship or other fellowships overlapping with the same timeframe of this award.

RULES & REGULATIONS

- Take note that in order to comply with our administrative regulations your visit must start within one year of the date of this award letter and preferably by the start of the next academic year at your host institution.
- The Fellowship is awarded for a minimum period of twelve (12) months and with a maximum duration of eighteen (18) months.
- The Fellowship training will be facilitated only after Indian ministerial clearance has been obtained. This will also permit the awardee to obtain the correct visa to travel to India and start the fellowship.
- The Fellowship requires that you observe and adhere to the conditions of the DBT-TWAS Postdoctoral Fellowship, and the rules, regulations, policies and conditions of research at the host institution. The DBT-TWAS Postdoctoral Fellowship may be terminated on account of breach of standard regulations and procedures.
- Any breach of these regulations could lead DBT and/or TWAS requesting reimbursement for all expenses incurred.
- No biological samples, strains, cultures etc of plants, animals or humans sources is allowed to be brought to India without prior permission.
- For medical reasons, including pregnancy, the validity of the fellowship may be deferred. In such cases, awardees must inform TWAS and DBT prior to travelling.
- The Fellowship requires you to make sure that all admission formalities with the host institution have been processed and approved. You must inform DBT, TWAS and the host supervisor well in advance of your intended date of arrival.
- Once you have arrived in India, you must inform DBT and TWAS via e-mail in order to ensure you are promptly informed of the next steps to be taken in order for your Fellowship to be successfully implemented.
- Any Intellectual Property accrued during the fellowship will be subject to the agreement in place between TWAS and DBT.

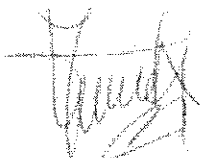

- At the end of the Fellowship, a final report is required to be submitted to both DBT and TWAS by you and the host supervisor, furnishing a list and copy of publications and patents resulting from the research work. It would also be relevant to indicate possible future collaboration with researchers at the host institution.
- By remaining in the host country on completion of the fellowship, awardees can be considered in breach of regulations and may therefore be asked to return the full amount of the fellowship to TWAS and DBT.
- Also note any travel expenses that have not been pre-approved by TWAS will not be reimbursed.

If you accept the terms and conditions of this Fellowship, please complete the attached Annex 1, sign it and return the original signed document to TWAS by registered mail or courier (address below). In addition, please email the scanned copy of Annex 1 to TWAS, no later than 31/03/2019.

If the scanned copy of the Annex 1 is not received by TWAS by this date, the DBT-TWAS Postdoctoral Fellowship will be cancelled.

Upon receipt of the completed and signed Acceptance Form, TWAS will inform you how to proceed with travel arrangements. Please note you must NOT purchase any ticket without prior permission and that any advance payment for travel expenses requires at least two months preparation.

Yours sincerely,
