

Medanta Institute of Education and Research

TO WHOMSOEVER IT MAY CONCERN

This to certify that a formal agreement has been signed between National Brain Research Centre (NBRC) and Medanta Institute of Education and Research (MIER) on 1st July, 2019 for a period of 5 years with an objective to mutually benefit each other through clinical research collaboration. As part of this agreement, MIER patients suffering from various brain disorders after their consents, are considered by NBRC as subjects for the research activities in the fields of non-invasive, neuroimaging and other studies with no diagnostic or medical responsibility undertaken by NBRC.

During the financial year 2019-20, MIER have facilitated 50 patients with neurological complications to NBRC for conducting analysis and activities limited solely to research purpose.

Date: 11/02/2021
