NBRC/Acad/2021/1370

05th February, 2021

CIRCULAR

With the objective of making NBRC a role model for environmental sustainability and a green campus in true sense, it is recommended to constitute a **Green Campus Committee (GCC)** to fulfill the mandatory requirements:

1. Prof. Pravat Mandal, Director I/C Chairperson
2. Prof. Anirban Basu Member NBRC
3. Prof. Ellora Sen Member NBRC
4. Dr. Sourav Banerjee Member NBRC
5. Ms. Shiwani Tanwar, A.O. (Academics)

Objectives

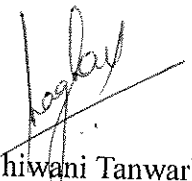

The purpose of the Green Campus Committee shall be to advise and establish policy and practices on issues related to the analysis and implementation for creating a green campus. The GCC will report to the Director and all the green initiatives will be taken after due approval of the committee.

The purpose of the Green Campus Committee shall include but not be limited to promoting:

- Environmental awareness and education through eco-friendly environmental development programs, advocating green curricula
- Supporting natural sciences and social sciences consistent with our vision, and facilitating interdisciplinary learning related to the environment;
- The use of sustainable energy and energy efficiency measures at all levels in order to reduce the NBRC's carbon footprint;
- Comprehensive recycling and composting;
- Local and environmental friendly material purchasing;
- The creation of a deserved green image for GCC in the community;
- The integration of green practices into NBRC as a whole;

The first introductory meeting of green campus committee is proposed to be held in the second week of February 2021.

This issues with the approval of the competent authority.
