One Nation One Subscription

ONOS → APC Support

The One Nation One Subscription (ONOS) initiative by the PSA, GOI and INFLIBNET, Gandhinagar. **The NBRC** is a member of the ONOS and provides access to academic resources, **including over 13,000+ journals** and leading scientific publications from top **32 International Publishers**.

Article Publishing Charges/Article Processing Charges (APC) is one of the components of the ONOS scheme. APCs for selected good quality open access journals will be centrally funded through the executing agency for ONOS. As decided by the Core Committee, ONOS, fully open access journals which are in top 1% as per any of the 3 indicators: CiteScore, SNIP or SJR published by SCOPUS are eligible for payment of APC from ONOS. The Open Access journals can be either from the 32 publishers providing access to their published journals in ONOS or other publishers..
